REGIONAL SCIENTIFIC WORKING GROUP
MEETING ON DIARRHOEAL DISEASE CONTROL

EM/SC.WG.MTG.DDC./1

Amman, 11 - 14 June 1979

22 March 1979

PROVISIONAL AGENDA

1. Opening of the Meeting
2. Election of Officers
3. Adoption of the Agenda
4. Review of current knowledge concerning the epidemiology of acute diarrhoeal disease in infants and young children in the countries of the Region.
5. Review of the results of research, trials and experience with oral rehydration in acute diarrhoeal disease of young children in this Region and elsewhere.
6. The components of national programmes for the control of diarrhoeal disease particularly in the child under three years.
7. Discussion of the training and re-orientation needs in the countries of the Region at all levels, and of measures to satisfy these needs.
8. Identification of the epidemiological study and research needs in the Region, and discussion of a research programme.
9. WHO and UNICEF collaboration with the countries in diarrhoeal disease control.
10. Summary report and recommendations.
11. Closure of the Meeting.
