

SHORT COURSE ON SOLID WASTES
COLLECTION AND DISPOSAL

Damascus, 20 - 30 May 1968

EM/Wastes Course/A8

17 April 1968

ENGLISH ONLY

LIST OF SELECTED BIBLIOGRAPHY

- *1. American Public Works Association, Research Foundation (1964)
Proceedings, National Conference on Solid Waste Research, Chicago
December 1963, Chicago (APWA Special Report No.29)
- *2. American Public Works Association, Research Foundation (1966)
Solid Wastes in Perspective. Proceedings of a Symposium on Research
Needs, Philadelphia, Pa., January 1966, Chicago
- *3. American Public Works Association, Committee on Solid Wastes (1966)
Refuse Collection Practice, 3rd ed., Chicago, Public Administration
Service
- *4. American Public Works Association, Institute for Solid Wastes (1966)
Municipal Refuse Disposal, 2nd ed. Chicago, Public Administration
Service
- *5. American Society of Civil Engineers (1959) Sanitary Landfill, New York
(Manual of Engineering Practice No.39)
- *6. American Society of Mechanical Engineers (1966) Proceedings of 1966
National Incinerator Conference, New York, New York
- *7. Bevan, R.E. (1966) The Science and Practice of Controlled Tipping,
London, Temple Press
- *8. Higginson, A.E. (196-) The Analysis of Domestic Refuse, London, Institute
of Public Cleansing
- *9. Fraja Frangipane, E. de (1965) Present Condition and Forecasts for the
Future of Refuse Disposal in Italy, Milan, Associazione Nazionale di
Ingegneria Sanitaria
- *10. International Association of Public Cleansing (1967) Reports Ninth
International Conference, Paris, June 1967, Paris, Busson

* These documents will be available for reference during the course

- *11. International Union of Local Authorities, Technical Committee (1967) Refuse Disposal, The Hague
- *12. International Research Group on Refuse Disposal (1965) Treatment and Disposal of Refuse and Sewage Sludge. Proceedings of the Third International Congress, Trento, Italy, May 1965, Milan, Associazione Nazionale di Ingegneria Sanitaria
- *13. Joint Committee for Developing Recommendations on Refuse Collection and Disposal for the Small Community (1955) Refuse Collection and Disposal for the Small Community, Washington, D.C., Govt. Printing Office
- *14. Kupchik, G.J. (1966) Economics of Composting Municipal Refuse in Europe and Israel, with special reference to possibilities in the U.S.A., Bull., Wld, Hlth. Org., 34, 798-809
- *15. National Academy of Science, National Research Council (1966) Waste Management and Control, Washington, D.C. (Publication 1400)
- *16. National Conference on Solid Wastes Management (1966) Proceedings of the National Conference on Solid Wastes, University of California, Davis Campus, April 1966
- *17. National Symposium on Animal Waste Management (1966) Management of Farm Animal Wastes. Proceedings of the National Symposium ... East Lansing, Michigan, May 1966, East Lansing, Michigan, American Society of Agricultural Engineers (ASAE Publication No. SP-0366)
- *18. Organization for European Economic Co-operation (1963) Collection and Disposal of Town Refuse; Street Cleaning, Paris (Report of a group of experts; Technical Assistance Mission No. 66)
- *19. Stirrup, F.L. (1965) Public Cleansing: Refuse Disposal, Oxford, Pergamon
- *20. United States, President's Science Advisory Committee, Environmental Pollution Panel (1965) Restoring the Quality of our Environment, Washington, D.C.
- *21. United States Public Health Service, Division of Sanitation (1966) Refuse Collection and Disposal: an annotated bibliography 1962-1963, Washington, D.C., Govt. Printing Office (Public Health Bibliography Series No.4, Supplement F)
- *22. Hanks, T.G. (1967) Solid Waste - Disease Relationships: a Literature Survey, Cincinnati, U.S. Public Health Service, Solid Wastes Program.
- *23. American Public Works Association, Committee on Refuse Disposal (1961) Tentative Methods of Analysis of Refuse and Compost, Chicago (Reprinted from Municipal Refuse Disposal, pp. 363-367)
- *24. Skitt, J. (1964) Disposal Works Plant and Maintenance, London, Temple Press. Published in association with the Institute of Public Cleansing

- *25. Calcutta Metropolitan Planning Organization (1964) Improvement Programme for Metropolitan Calcutta: 1964-1971
- *26. Spencer, C.C. (1947) Recommended Wartime Refuse Disposal Practice, Washington, U.S. Public Health Service (Supplement No. 173 to the Public Health Reports)
- *27. Neshbitt, J.B. (1958) Composting of Municipal Refuse and Some European Composting Operations, University Park, Pa., The Pennsylvania State University
- *28. World Health Organization (1961) Report on the First Zonal Seminar on Environmental Sanitation, Taipei, 1956, Manila
- *29. American Public Works Association (1966) Proceedings of the First Annual Meeting of the Institute for Solid Wastes, Chicago, September 1966, Chicago
- *30. U.S. Public Health Service, Robert A. Taft Sanitary Engineering Center (1966) Training Course Manual on "Elements of Solid Waste Management", Cincinnati
- *31. U.S. Communicable Disease Center (C.D.C. Training Programme: training guide - insect control series)
 - Part I : Introduction to Arthropods of Public Health Importance
 - Part II : Insecticides for the Control of Insects of Public Health Importance
 - Part III : Insecticidal Equipment for the Control of Insects of Public Health Importance
 - Part IV : Sanitation in the Control of Insects and Rodents of Public Health Importance
 - Part V : Flies of Public Health Importance and their Control
 - Part VI : Mosquitoes of Public Health Importance and their Control
 - Part VII : Fleas of Public Health Importance and their Control
 - Part VIII : Lice of Public Health Importance and their Control
 - Part IX : Mites of Public Health Importance and their Control
 - Part X : Ticks of Public Health Importance and their Control
 - Part XI : Scorpions, Spiders and other Arthropods of Minor Public Health Importance and their Control
 - Part XII : Household and Stored-Food Insects of Public Health Importance and their Control

(U.S. Public Health Service Publication No. 772), 1960-1963
- *32. World Health Organization (1965) Proceedings of Seminar on the Problem of Solid Wastes in Urban Areas, University of Sao Paulo, October 1965, Sao Paulo (in Spanish)
- *33. Wiley, J.S., ed., International Research Group on Refuse Disposal (IRGRD). Information Bulletins Nos. 15-20, August 1962 to May 1964. (Reprinted by U.S. Public Health Service, Washington, D.C., Govt. Printing Office)

34. American Works Association, Research Foundation (1959) Street Cleansing Practice, 2nd ed., Chicago, Public Administration Service (APWA Project Number 105)
35. Stead, F.M. Public Health Aspects of Refuse Disposal (Presented at the Conference of Municipal Refuse Collection and Disposal, University of California, February 1953)
36. Vincenz, J.L. (1966) Disposal of Refuse. (Based on the Address to the Annual Seminar of Public Health Engineers, West Bengal, April 1966). (WHO Roneographed document SEA/Env.San./45) (Restricted)
37. American Public Works Association, Committee on Equipment (1964) Public Works Equipment Management, Chicago, Public Administration Service
38. Coyle, R.G. (1966) Computer study of some refuse collection problems, Publ. Cleans., 56, 432-437
39. Ellis, H.M. (1967) Solid Waste Disposal. Problems raised by the treatment of litter, refuse and other kinds of non-soluble waste materials, Strasbourg, Council of Europe, European Committee for the Conservation of Nature and Natural Resources
40. First, M.W. (1966) Environmental hazards. Urban solid-waste management, New Engl. J. Med., 275, 1478-1485
41. Gotaas, H.B. (1956) Composting: Sanitary Disposal and Reclamation of Organic Wastes, Geneva (World Health Organization: Monograph Series, No.31)
42. Great Britain, Ministry of Housing and Local Government, Technical Committee on the Experimental Disposal of House Refuse in Wet and Dry Pits (1961) Pollution of Water by Tipped Refuse, London, H.M. Stationery Office
43. Great Britain, Ministry of Housing and Local Government, Working Party on Refuse Collection (1967) Refuse Storage and Collection, London, H.M. Stationery Office
44. Great Britain, Privy Council Natural Resources Technical Committee (1954) The use of Towns' Wastes in Agriculture, London, H.M. Stationery Office
