REGIONAL COMMITTEE FOR THE  
EASTERN MEDITERRANEAN

EM/RC52/R.10  
September 2005

Fifty-second Session

Agenda item 8

**ISLAMIC CHARTER OF MEDICAL AND HEALTH ETHICS**

The Regional Committee,

Having reviewed the document on the draft Islamic Code of Medical and Health Ethics<sup>1</sup> prepared by the Regional Office, in collaboration with the Islamic Organization for Medical Sciences (IOMC), the Islamic Educational, Scientific and Cultural Organization (ISESCO) and the Executive Bureau of the Health Ministers' Council for the Cooperation Council States;

1. **ADOPTS** this charter as a main source for Member States to make use of in developing their legislation on medical and health ethics.
2. **REQUESTS** the Regional Director to further develop the charter of medical and health ethics, in collaboration with the participating organizations, according to the health care requirements in the Region.
