Agenda Item 4

HEALTH AND MEDICAL ASSISTANCE TO LEBANON

The Regional Committee,

Taking note of the serious effects of the continued military operations in Lebanon resulting in the tragic situation to which the population of Lebanon is exposed;

Recalling the World Health Assembly resolution WHA38.26 on health and medical assistance to Lebanon;

Considering that there are real dangers for health of the Lebanese population;

CALLS upon Member States to increase their support to Lebanon;

REQUESTS the Regional Director:

To coordinate between international and regional organizations, and the Council of the Arab Ministers of Health, in meeting the immediate needs of Lebanon.
