

The Regional Committee,

Having considered the three reports of the Eighth, Ninth and Tenth Meetings of the Regional Consultative Committee<sup>2</sup>

1. ENDORSES the reports of the Regional Consultative Committee as amended;
2. COMMENDS the Regional Consultative Committee for the advisory support it continues to provide to the Region;
3. REQUESTS Member States to take effective action in their countries to implement the recommendations included in these reports;
4. REQUESTS the Regional Director to take necessary action to support countries to implement these recommendations;
5. REQUESTS the Regional Director to continue to ask the Regional Consultative Committee to consider and make recommendations on important matters intended to be submitted by the Regional Director to the Regional Committee;
6. URGES Member States to provide all necessary support to the Regional Director to implement these recommendations.

---

2. Documents EM/RC35/6 and EM/RCC10/9.
