

**HEALTH AND MATERIAL ASSISTANCE TO THE  
PALESTINIAN PEOPLE**

The Regional Committee,

Mindful of the basic principle established in the WHO Constitution which affirms that the health of all people is fundamental to the attainment of peace and security;

Concerned at the deterioration of health conditions in the occupied territories as well as in the self-ruled territories;

Trusting that WHO, in the spirit of its Constitution, will exert every possible effort to improve the health conditions of the Palestinian people;

1. **RECOMMENDS** that Member States provide, through bilateral aid or through the Regional Office, material and human resources support to the Palestinian people in order to strengthen their national health services;
2. **RECOMMENDS** that WHO:
  - 2.1 Continue the provision of various forms of health support to the Palestinian people, through the Palestinian Authority to enable them to complete as soon as possible the construction of their health infrastructures and services;
  - 2.2 Consider opening up a WHO Representative's Office in the self-ruled territories.
