**Number of treatment courses provided at sub-district level**

50,330 Total number of delivered treatment courses provided

- 15,001 - 39,156
- 5,001 - 15,000
- 1 - 5,000

- 0 Camp

* The data in this infographic are for WHO’s hub in Damascus only
** Based on public hospital received support from WHO
*** Other undefined hospitals are supported indirectly throughout MoH and MoHE at central level
**** Percentage of mhGAP previously-trained health professionals, 2014 till now, who received follow-up and/or on-the-job trainings
**HeRAMS**

**Functionality status**
- **Public Hospitals**
  - Fully Functioning: 16 (31.6%)
  - Partially Functioning: 279 (56.9%)
  - Non-Functioning: 279 (36.9%) (103)
  - Non-Report: 16 (5.6%)

**Level of damage**
- **Public Hospitals**
  - Fully Damaged: 16 (31.6%)
  - Partially Damaged: 279 (56.9%) (103)
  - Not-Damaged: 279 (37.3%) (104)

**Consultations**
- **Public Hospitals**: 70,666
- **Public PHC centres**: 99,111

**Health care providers trained**
- **MH**
  - 0
- **EWARS**
  - 56
- **HIS**
  - 120
- **Total healthcare providers trained**: 183

*Trainees on MHPSS topics: Number of non-specialized community workers and health care providers who received MHPSS training.

**Operations Support and Logistic**

**Total deliveries across the country including IA convoy**
- **Total number of regular deliveries across the country including IA convoy**: 13
- **Total weight (tons) of regular deliveries across the country including IA convoy**: 17

**Total regular deliveries across the country**
- **Total number of regular deliveries**: 13.00
- **Total number of treatment courses delivered**: 50,330
- **Total weight (tons) of supplies delivered**: 0

**Inter-agency convoys**
- **Total number of IA convoys**: 0
- **Total number of treatment courses delivered**: 0
- **Total weight (tons) of supplies delivered (WASH, Nutrition, and others)**: 0

**WASH**
- **Points tested for drinking water quality**: 0
- **Drinking water reported points tested and found to be of sub-standard quality**: 0

**IDP camps**
- **0/0**

**Uncontrolled sources**
- **0/0**

**National NGO coordination**
- **10** National NGOs as implementing partners
- **26,978** PHC outpatient consultations provided by WHO partners
- **4** Supported PHC centres by WHO implementing partners
- **16,587** Treatment courses provided by national NGOs
- **12** Mobile medical teams rolled out
- **142** Patients referred for specialized treatment
- **14** IDP camps/settlements covered by WHO partners
- **16** People with disabilities assisted by WHO partners
