

Nomination of a Member State to the Joint Coordinating Board of the Special Programme for Research and Training in Tropical Disease

Composition of the Joint Coordinating Board of the Special Programme for Research and Training in Tropical Diseases

1. The Joint Coordinating Board of the UNICEF/UNDP/World Bank/WHO Special Programme for Research and Training in Tropical Diseases (TDR) consists of 28 members drawn from among the cooperating parties as follows:

- twelve government representatives selected by contributors to the resources of the Special Programme;
- six government representatives selected by WHO regional committees from among those countries directly affected by the diseases dealt with by the Special Programme, or from among those providing technical or scientific support to the Special Programme;
- six members designated by the Joint Coordinating Board itself from among the remaining cooperating parties;
- the four agencies that comprise the Standing Committee (UNICEF, UNDP, the World Bank and WHO).

Observer status on the Joint Coordinating Board

2. Other cooperating parties may, on request, be represented as observers, upon approval by the Joint Coordinating Board. Member States of the Eastern Mediterranean Region who have observer status and are not currently members are: Djibouti, the Islamic Republic of Iran, Iraq, Jordan, Kuwait, Libya, Morocco, Oman, Pakistan, Saudi Arabia, Sudan, the Syrian Arab Republic, Tunisia, the United Arab Emirates and Yemen.
