

Health Sector | Summary of HRP key indicators reported through the 4Ws, January 2020

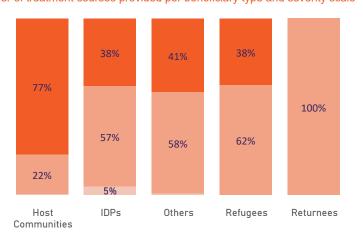

Number of treatment courses provided, at sub district level

Number of medical procedures supported, at sub district level

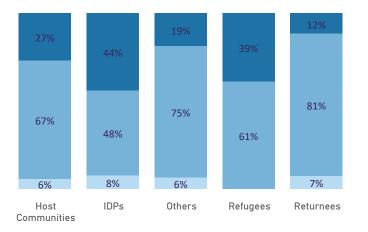

Number of treatment courses provided per beneficiary type and severity scale

Severity < 3 Severity = 3 Severity > 3

Number of medical procedures supported per beneficiary type and severity scale

Severity < 3 Severity = 3 Severity > 3

Number of reporting organizations

(UN or INGO or NNGO reporting activity into 4Ws)

Number of implementing partners

(All assistance and services implemented by

UN or INGO or NNGO or government entity)

The boundaries and names shown and the designations used on this map do not imply the expression of any opinion whatsoever on the part of the World Health Organization concerning the legal status of any country
